

ADVANCED IMAGING CENTER
PHYSICIAN INFORMATION
www.aicValencia.com

Images and results now available online!

Web Reports: In few simple steps you can now view preliminaries and final reports online.

How to view:

1. Visit AIC's reports page at **reports.aicvalencia.com**
2. Enter your User ID and Password (if not already assigned, please call us to obtain these).
3. You will see a list of your recent cases at AIC.
4. Double click on the "view summary" or "view report" tab to download a report for a patient.
5. You will be able to view and print preliminary images once they appear on the screen.
6. For more sorting options, click on a column, such as "date" or "patient name" to sort by that column.

BodyViews: You can now view your patients' CT, ultrasound, and MRI images on the Internet. As above, you need a username and password to access the program. A fast connection, such as DSL, is preferred. The following is a summary of how to download the software called **BodyViews**:

1. Visit AIC's website at **www.aicvalencia.com** or **reports.aicvalencia.com**
2. Click on the *BodyViews* button on the screen.
3. Enter the general User ID and Password (call us to obtain these).
4. Click on "DOWNLOAD SOFTWARE" and choose "OPEN," or follow the instruction on the website.
5. Follow the prompts to finish downloading. *BodyViews* will run automatically the first time around.
6. Next time around, click on the *BodyViews* icon on your desktop.
7. Enter your personal user name and password.
8. You will see a list of your recent cases at AIC.
9. Double click or right-click on a patient name to download the images.
10. Double click or right-click on the same patient after download is completed to view the images.
11. Click on the "?" button inside *BodyViews* for help and other features.

Images on CD: We have also been placing images on CD for patients and doctors using **BodyViews** software. These CD's can be played on any PC without any software installation requirement. Please let us know if you would like to get a CD on a patient. We will continue to provide hard-copy films for physicians who request them.

Please call (661) 255-0060 at any time for assistance with the above or should you have any other questions.

Thanks!

Happy viewing!
